
Title: THE VOICE

Author:

With this book I want to
express my pride. I am
one of the few that are
allowed to serve our
Great Hierophant and I
am proud to serve him.
He is one of the few
people left in these days
who know what life is
about. His wisdom and his
leadership have shown me
the purpose of life. To
serve him is quite an
experience and I am very
thankful to be the one
who is blessed with the
duty. He hath told me
about many events in his
life and I want to share
these with thee.

At one point in his life
he visited the Isle of
Balance, which is also
known as Sunrise Isle. He
hath climbed the mountain
there to the top. And
that is where the most
amazing of his stories
took place. On top of
that mountain he heard
the voice of the Great
Earth Serpent. The Great
Earth Serpent told him
to commission the building
of the Serpent Gates and
the three Grand Shrines...
Believe me reader, when I
listened to this, I
shuddered with awe... I
still cannot believe that I
am the one chosen to be
his servant. What a
blessing it is...
